- Outstanding reputation for helping students to reach their goals
- High success rate in external examinations and gaining places at UK universities for undergraduate and postgraduate courses
- Performance monitoring, personal student feedback & individual learning programmes

### Student services

We provide Student liaison officers to help students with:

- Travel and accommodation arrangements, including pick-up from airports
- Registration with medical services and the police

Also:

- Students have personal tutors to provide both academic and pastoral guidance

### Accommodation

Students from overseas who are not staying with family or friends are encouraged to spend their time on the course living with a Host Family, who:

- Commit to developing their guest's usage of English as the 'language of occasion'
- Offer their guests 'involvement' and to prepare them for the next stage of their stay in the UK
- Treat students as members of the host family
- Provide a secure welcoming environment

The Academy works with local partners to provide University style accommodation at preferential rates. Students can be assured of a warm and secure welcome.
